March 2015

## Books and Learning

# OXFORD MAY MUSIC

## Music, science and the arts meet in creative harmony

Join the 2016 Oxford May Music Festival to experience how science, music, and the arts meet in creative harmony at the 2016 Oxford May Music Festival. This year's festival will highlight female composers and several events include a theme on darkness, such as a concert held completely in the dark. To claim your 10% alumni discount email [info@oxfordmaymusic.co.uk](mailto:info@oxfordmaymusic.co.uk) and quote offer code 'alumni'.
